Living Things

I got a letter from the tax man, I owe
I got a message from the president, I owe
He said disobey the constitution and you owe
Well, it's not my generation that owes And they tell us to lay low
We got you under control
And they don't know right from wrong
But they'll bring you all along, let's go I got a lawsuit from my best friend, I owe
I got this itchin' irritation, I owe
Mr. Policeman said no misbehaving, I owe
He said give a little bit, give a little bit, give some more And they tell us to lay low
We got you under control
And they don't know right from wrong
But they'll bring you all along, let's go C'mon, c'mon, c'mon
I said the FBI, the CIA, the FDA, the NSA
Our HMO's, our PPOs, the CEOs and the USA Well, you got to lay low
'Cause it got us under control
And they don't know right from wrong
They'll bring you all along, let's go C'mon, c'mon, c'mon
I said now all we need is love
(All we need is love)
I said now all we need is love
(All we need is love) I said now all we need is love
(All we need is love)
I said now all we need is love
Now, listen up
