All My Cares

Citizen Way

I've been lost in the shadows
in the valley of dispire
In the middle of a battle
where i've never been more scaredBut i believe that you see my struggle
I believe that you know my pain
So when when i'm tired, when i'm lost, when i'm broken, when i'm afriadI give all, all
I give all
My cares to you
I give all, all
I give all
My cares to you
I can walk in the freedom,
Knowing you are strong enough
To take my burdens
O, God i lift them upi believe that you see my struggle
I believe that you know my pain
So when when i'm tired, when i'm lost, when i'm broken, when i'm afriadI give all, all
I give all
My cares to you
I give all, all
I give all
My cares to youThere's No fear, No doubt in your name
For you have promised to make a way,
There's No fear, No doubt in your name
For you have promised to make a way
I give all, all
I give all
My cares to you
I give all, all
I give all
My cares to youI give all, all!!
I give all!!
My cares to you
I give all, all!!
I give all!!
My cares to youO, when i'm lost, when i'm tired
I give all my cares
broken, afriad
I give all my cares

I know you love me
I give all
my cares to you
