Forever

Kari Jobe

The moon and stars they wept

The morning sun was dead

The Savior of the world was fallen

His body on the cross

His blood poured out for us

The weight of every curse upon himOne final breath He gave

As Heaven looked away

The Son of God was laid in darkness

A battle in the grave

The war on death was waged

The power of hell forever brokenThe ground began to shake

The stone was rolled away

His perfect love could not be overcome

Now death where is your sting

Our resurrected King has rendered you defeatedForever, He is glorified

Forever, He is lifted high

Forever. He is risen

He is alive

He is aliveThe ground began to shake

The stone was rolled away

His perfect love could not be overcome

Now death where is your sting

Our resurrected King has rendered you defeated Forever, He is glorified

Forever, He is lifted high

Forever, He is risen

He is alive

He is alive

Forever, foreverYou have overcome
