Until Then...

Sully Erna

Lie
Awake
Watching you run through my head
I'm alone again, but not for long my friendWe face another day
And distance has come and taken you far away again
But I'll see you soon my friend
And then I'll sing you my songI cant go home alone again
No I cant
My friend
Until thenEyes, I recognize
Taking me back
Familiar to me from some other time
Or maybe another life.Remember our times, and know who I am
The memory stays, until we can breathe as one again
And I'm coming back my friend
And then I'll sing you my songOh yeah
And I cant go home alone again
No I cant go home all alone again
No I cant go home all alone again
No I cant
My friend
Until thenAnd I can't go home alone again
No I cant go home all alone again
No I cant go home all alone again
No I cant
My friendUntil then
