

# Mystic Lady

**T. Rex**

Baby mystic lady  
You do own my night  
Put my dogs to fright  
Yea yea yea yea yea Riding sliding sorceress  
In your dungarees  
Got me on my knees The people in your life are cruel  
Keep on riding that hard road  
The lovers in you life are few  
Keep on riding that hard road Pleasant crescent moon  
Fills my heart with pain  
Fills my toes with rain
