The Human Body

Pylon

Go, yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeahCan you take me home
Where we can be alone?
Can you make me happy
Till my pain is gone?Can you get me excited
Excited enough to thank the God above
For the human body?
Yeah, yeah, yeah, for the human body, yeah, yeah, yeahCan you get me excited
Till my love is long?
Can you let me ride it till the early morn?
(Oh yeah)Can you freak me dirty?
Freak me till I thank the God above for the human body
Yeah, yeah, yeah, for the human bodySlave, slave, slave, slave
