

I'm Into You

Jennifer Lopez

[Jennifer]

Na na nananana nana na-eh (4x)[Lil Wayne]

Ahem, Hi, I'm Tune, the man on the moon
I live on the beach, get the sand out ya shoes

And all of that changed since I met you
So we can leave that old shit in the restroom
Ok, now I'm into you, like you never knew
I'm falling for you baby, I need a parachute

So wet, I need a wetsuit
You're way too fly, I could be ya jet fuel
Now tell me what you like

I like what you tell me
And if you understand me, than you can overwhelm me
It's too late, it's too late

Every finish line is the beginning of a new race Young Money!...[Jennifer]

You've got me and I could not defend it
I tried but I had to surrender

Your style got me under the spell
Left me no other choice but to get down It's too late (it's too late), it's too late (it's too late)
It's too late, it's too late

You've got it (you've got it), you've got it (you've got it)
You've got it (you've got it), you've got it When I look into your eyes, it's over
You've got me hooked with your love controller

I'm trippin' and I could not get over
I feel lucky like a four leaf clove

I'm into you, I'm into you

I'm into you, yeaah

I'm into you, I'm into you

I'm into you, yeaah Nana nananana nana-na-eh (4x) Listen, now I'm strong baby I bring the fire on
Sharp shooter, you can call me the zion

I'm not the one easy to get to
But all that changed, baby when I met you It's too late (it's too late), it's too late (it's too late)
It's too late (it's too late), it's too late

You've got it (you've got it), you've got it (you've got it)
You've got it (you've got it), you've got it When I look into your eyes, it's over
You've got me hooked with your love controller

I'm trippin' and I could not get over
I feel lucky like a four leaf clover Cuz I'm into you, I'm into you
I'm into you, yeaah
