

Oceans Away (feat. Zoya)

LTN

LTN feat. ZOYA-Oceans Away

Lyrics by: ZOYA

Verse:

We were oceans away
And our love was a game
Now I am standing here with you
Today our love will become true

Chorus:

Oceans away
Our hearts will not sway
Oceans away
I found you, just stay

Verse:

For too long we have been apart
Holding my breath for our journey to start
This road we travel we will walk true
No end insight just eyes for you

Chorus:

Oceans away
Our hearts will not sway
Oceans away
I found you, just stay
