Self Esteem

Jamie T

You fall asleep in the carriage
So they sift through your pockets
She drove you round the bend
In her mother's automaticShe treats you like a friendWith low self esteem
With no self esteem
With low self esteem
Self esteemAnd you don't know your friends
So you change your number
You're raw meat in the package
Of a London summerAnd when it all ends
Will you remember?
The times that you spent
Spent together?With low self esteem
With no self esteem
With low self esteem
Self esteemWith low self esteem
With no self esteem
With low self esteem
With no self esteem
Self esteemSelf esteem
Self esteem
Self esteem
Self esteemI'm too proud to see you
Hi, goodbye, I need you
I don't want to leave you highMaybe I noticed you
Maybe I noticed you
Maybe I noticed you
Maybe I noticed you
Maybe I noticed you
Maybe I noticed you
Maybe I noticed you
Maybe I noticed you
