

Self Esteem

Jamie T

You fall asleep in the carriage
So they sift through your pockets
She drove you round the bend
In her mother's automatic She treats you like a friend With low self esteem
With no self esteem
With low self esteem
Self esteem And you don't know your friends
So you change your number
You're raw meat in the package
Of a London summer And when it all ends
Will you remember?
The times that you spent
Spent together? With low self esteem
With no self esteem
With low self esteem
Self esteem With low self esteem
With no self esteem
With low self esteem
With no self esteem
Self esteem Self esteem
Self esteem
Self esteem
Self esteem I'm too proud to see you
Hi, goodbye, I need you
I don't want to leave you high Maybe I noticed you
Maybe I noticed you
Maybe I noticed you
Maybe I noticed you
Maybe I noticed you
Maybe I noticed you
Maybe I noticed you
Maybe I noticed you
