

# On Directing (Orpheum Theater)

## Tegan and Sara

You're directing me.  
Your eyes focused like a microscope.  
Get the cuts you need.  
Eyes focused like a micro-scope.Go steady with me.  
I know it turns you off when I  
I get talking like a teen.  
I get talking like a teen.You're directing me.  
You're dressed up. I lose my grip, my focus.  
Make those eyes at me.  
I lose my grip, I lose my focus.Go steady with me.  
I know it turns you off when I  
I get talking like a teen.  
I get talking like a teen.Go steady with me.  
I know it turns you off when I  
I get talking like a teen.  
I get talking like a teen.You're directing me. (Hold on to me)  
Your eyes focused like a microscope.  
Get the cuts you need. (Hold on to me)  
Eyes focused like a microscope.You're directing me. (Hold on to me)  
You're dressed up I lose my grip, my focus.  
Make those eyes at me. (Hold on to me)  
I lose my grip, I lose my focus.Go steady with me.  
I know it turns you off when I  
I get talking like a teen.  
I get talking like a teen
