

# All Guns Blazing

## Silent Force

[Glenn Tipton, Rob Halford, K. K. Downing]

[from Judas Priest "Painkiller" (1990)]

Twisting the strangle grip

Won't give no mercy

Feeling those tendons rip

Torn up and mean

Blastmaster racks the ground

Bent on survival

Full throttle hammers down

A deadly scream

All guns, all guns blazing

Forced into overdrive

Drawn out of anger

All talons poison dipped

Impaling spike

Heart pounding fever pitch

Blood pumping fury

Two fisted dynamo

Eager to strike

All guns, all guns blazing

Cross cutting thundercharge

Blade of destruction

Flame throwing hurricane

Destroys the cage

Bone crushing alien

God of salvation

Sad wings that heaven sent

Wipes out in rage

All guns, all guns blazing
