## We Stand Alone

## **Covenant**

Stand before the gates and watch metropolis Empires come and go, we live forever And eternity is in your hidden eyes

Take my broken wings, teach me to fly againI stand alone, we stand alone I stand alone, we stand aloneDown the empty streets, head for the seven hills

Vestal virgins dance, we steal the fire

Battered columns stand as silent monuments

Deep inside their dreams I see your memoriesI stand alone, we stand alone I stand alone, we stand alone

I stand alone, we stand aloneWe share the last champagne and watch necropolis Still and so let's leave her to her silent walks

The sun of Rome is set and our day is gone

A kiss, a taste of red from your open lipsI stand alone, we stand alone

I stand alone, we stand alone

I stand alone, we stand alone

I stand alone, we stand aloneWe stand alone

We stand alone

We stand alone

We stand alone

Alone
