

Gimme Shelter

Paul Brady

Ooo

OooOoo, a storm is threatenin', my very life today

If I don't get some shelter, oh I'm gonna' fade away War children, it's just a shot away, it's just a shot away

War children, it's just a shot away, it's just a shot away Ooo, see the fire sweeping up every street today

Burns like a red coal carpet, mad bull lost it's way War children, it's just a shot away, it's just a shot away

War children, it's just a shot away, it's just a shot away Rape, murder, it's just a shot away, it's just a shot away

Rape, murder, it's just a shot away, it's just a shot away

Rape, murder, it's just a shot away, it's just a shot away Ooo, a storm is threatenin' my very life today

If I don't get some shelter, oh I'm gonna' fade away War children, it's just a shot away, it's just a shot away

It's just a shot away, it's just a shot away, it's just a shot away

I said a love sister, it's just a kiss away, it's just a kiss away

It's just a kiss away, it's just a kiss away, kiss away, kiss away War children, it's just a shot away, it's just a shot away

War children, it's just a shot away, it's just a shot away

War children, it's just a shot away, it's just a shot away

War children, it's just a shot away, it's just a shot away

Love sister, it's just a kiss away, it's just a kiss away

Love sister, it's just a kiss away, it's just a kiss away

War children, it's just a shot away, it's just a shot away

Love sister, it's just a kiss away, it's just a kiss away

War children, it's just a shot away, it's just a shot away
