I Can Take or Leave Your Loving

The Foundations

I don't need her
Don't need her kind of heartaches and pain
She's gonna have to see
Things now can never be the same again
I won't miss her
Well, maybe I'll miss her once in a while
She thinks I'm gonna die, now that she's said goodbye
But she's so wrong, I'll just smile
Baby, baby, don't you believe it
When it comes to your loving I can take it or leave it
Baby, baby, don't you believe it
When it comes to your loving I can take it or leave it
I can take or leave your loving

I can take or leave your loving
I'm not sorry
I still think we're better apart
She says she's gonna see
A day when there's gonna be a change of heart
Baby, baby, don't you believe it
When it comes to your loving I can take it or leave it
Baby, baby, don't you believe it
When it comes to your loving I can take it or leave it
I can take or leave your loving
I can take or leave your loving
