My Religion

Peter Cincotti

Silver sky full of city lights
Shadows on the wall
I'm finally waking up as night's about to fall
I look at you and I see my future
somewhere in your eyes
from now on no more questions no more compromise
I'm making you my religion
on a dirty street
I'm coming clean
I'm making you my religion
On a bitter night
I'm doing right by you
ANd I don't care where we go
and i don't care what they say
I'm making you my religion
TonightI'm gonna take everything I know
and erase it with your touch
Somehow in the darkness I can see so much
Next to you i feel your future
Unfolding into mine
From now on no more waiting no more wasting timeI'm making you my religion
on a dirty street
I'm coming clean
I'm making you my religion
On a bitter night
I'm doing right by you
ANd I don't care where we go
and i don't care what they say
I'm making you my religion
Tonight
I'm making you my religion
TonightYour whisper is an aswer
your heartbeat is a reason
shaking me, giving me
something to believeI'm making you my religion
ooh
I'm making you my religion
yeah
I'm coming clean

Tonight
Yeah
I'm making you my religion
on a dirty street
I'm coming clean
I'm making you my religion
On a bitter night
I'm doing right by you
And I don't care where we go
and i don't care what they say
I'm making you my religion
Tonight
I'm making you my religion
Tonight
Tonight
