Within

Psykosonik

Down to the ocean where it began
Render your image and search again
Deep in the ocean reach within
Look and you will follow
You will follow
You'll follow
You will follow
Walk on the water and reach within
Enter your future that's where it began
Alter the picture and find the End
Alter your future reach within
Look and you will follow
You will follow (find hope)?
You'll follow
You will follow
(Confront the man with a knife... Tell him not to fight his holy war... It be very long...You can go only where you can go)?
Reach Within
You'll fill the hole in your life
Reach Within Yeah
