

It Ain't Fair That It Ain't Right

[Dolly Parton](#)

Writers B. Eggers, J. Eggers

Copyright 1970 It ain't fair for you to leave me cold and cryin' in the night

It ain't fair to take your body from my arms and out of sight

It ain't fair you've gone and left me where you kissed me I still burn

Are you leaving for my loving this awful hurt and then return

It ain't fair for you to leave me alone to face the morning light

It ain't fair you took my body and then to say that it ain't right

It ain't fair you've made me your woman a no longer a good girl in your eyes

How come before you said you'd love me it ain't fair that it ain't right

It just ain't fair that it ain't right
