

# Tres Cool

## Jupiter Rising

i got that that mike check check one two two uh huh let's go  
jump in my lunar crusier let's take a global trip  
we tear it down from Montigo to the Vegas strip  
can't stop to slow it down that's just inadequate  
i keep on talking shit so maybe i should quit with it  
the n\*\*\*\*\* take the vocal and raise the radar  
got me feeling like i'm darth vadar now my flow raises hoes like the escalator  
we are moving up like an elevator mosh pits dance floors it don't really matter  
all the girls in the front whatcha doing later?  
all the ladies we mug got a lot of haters  
not a lot of love keeepin it straight thriller (?)All around the globe we rock the chteau  
flashing lights explode and we killing we killing it  
Paris to the Dome in and out the strobe  
flashing lights explode and we killing we killing it  
tres cool tres cool  
my hips and thighs will make you die  
tres cool tres cool  
make it hotter than a catal pie  
tres cool tres cool  
gonna work on me like a body shop  
tres cool tres cool  
fast fowarding will never stop  
tres cool tres cool my day is simple girl in jeans and cards  
o once the cuties superhero buy my switches on  
it's me make no mistake you make a double take  
hot and sticky up and down dancing like the love i make  
i'm dizzy on champange i'm raging on the mind  
i only drink the best it's my duty to rock the night  
take me to the floor you know you want some more  
i came to make you sweetie turn you on and do it rightAll around the globe we rock the chteau  
flashing lights explode and we killing we killing it  
Paris to the Dome in and out the strobe  
flashing lights explode and we killing we killing it  
tres cool tres cool  
my hips and thighs will make you die  
tres cool tres cool  
make it hotter than a catal pie  
tres cool tres cool  
gonna work on me like a body shop

tres cool tres cool  
fast fowarding will never stopwhat, uh. yeah (indistint noises)tres cool tres cool  
my hips and thighs will make you die  
tres cool tres cool  
make it hotter than a catal pie  
tres cool tres cool  
gonna work on me like a body shop  
tres cool tres cool  
fast fowarding will never stoptres cool tres cool  
my hips and thighs will make you die  
tres cool tres cool  
make it hotter than a catal pie  
tres cool tres cool  
gonna work on me like a body shop  
tres cool tres cool  
fast fowarding will never stoptres cool tres cool  
lalalalalalalalala  
tres cool tres cool
