Funkadelic

Good evening, boys and girls
Welcome to another evening of
"I hate that word called Dick"
It goes like thisI hate that word called "Dick"
It sounds so awfully thick
So I think I'll call it "Prick"
'Cause I hate that word called "Dick"Ha ha ha haI hate that word called "Pussy"
It sounds so awful squishy
So I guess I'll call it "Clit"
'Cause I hate that word called "Pussy"
