

And She's Mine

Spanky & Our Gang

Hey, there ain't a bit of truth
In anything that you've heard about her
She's good, she's sweet, she's kind,
And she's mineAnd when we're walking down the street
I feel so proud when she's with me
She's good, she's sweet, she's kind,
And she's mineMaybe she's changed her ways
From what they used to be
She gives me everything
'Cause she belongs to me
Hey, there ain't another girl in this world
That comes close to her
She's good, she's sweet, she's kind,
And she's mine(French horn solo)Could it be she's changed her ways
From what they used to be?
She gives me everything
'Cause she belongs to me
Hey, there ain't another girl in the whole wide world
That comes close to her
She's good, she's sweet, she's kind
And she's mine
She's good, she's sweet, she's kind
And she's mine
She's good, she's sweet, she's kind
And she's all mine
