

# Mind Your Own Business

## Hank Williams Jr.

If the wife and I are fussin'  
Brother that's our right  
'Cause me and that sweet woman's  
Got a license to fightWhy don't you mind your own business  
Mind your own business  
'Cause if you mind your business  
Then you won't be mindin' mineOh, the woman on our party  
Line's the nosiest thing  
She picks up her receiver  
When she knows it's my ringWhy don't you mind your own business  
Mind your own business  
Well, if you mind your business  
Then you won't be mindin' mineI got a little gal  
That wears her hair up high  
The boys all whistle  
When she walks byWhy don't you mind your own business  
Mind your own business  
Well, if you mind your own business  
You sure won't be minding mineIf I want to honky tonk around  
'Til two or three  
Now, brother that's my headache  
Don't you worry 'bout meJust mind your own business  
Mind your own business?  
If you mind your business  
Then you won't be mindin' mineMindin' other people's business  
Seems to be high-toned  
I got all that I can do  
Just to mind my ownWhy don't you mind your own business  
Mind your own business  
If you mind your own business  
You'll stay busy all the time
