One In A Million

Trixter

Once in your life you'll find someone
To make it all so real
When it comes you will know
'Cause it's like something
You never thought you'd feelAnd sometimes you say to yourself
Is this really what I'm looking for?
'Cause only time will tell
If this is heaven or hell
To really know if you're sureI walk this lonely road
And I felt I'm goin' nowhere
And some things I'll never know
But I know why you're the only oneAnd I'll never find love again
Like the kind you give
Like the kind that you send
'Cause you're one in a million
One in a million to meBaby, you've got a certain way
Of doin' things that makes me feel
Like I'm someone
So don't change the way that you are
'Cause you're a million and oneI walk this lonely road
And I felt I'm goin' nowhere
Some things I'll never know
But I know why you're the only oneI'll never find love again
Like the kind you give
Like the kind that you send
'Cause you're one in a million
One in a million to meAnd I'll never find love again
Like the kind you give
Like the kind that you send
'Cause you're one in a million
One in a million to meNo more lonely nights
I'm finally goin' somewhere
It's all because of you
That I know why
You've always been the only oneI'll never find love again
Like the kind you give
Like the kind that you send
'Cause you're one in a million
One in a million to meI'll never find love again

Like the kind you give
Like the kind that you send
'Cause you're one in a million
One in a million to me'Cause you're a million in one
One in a million to me
One in a million
One in a million
One in a million to me
