Sand Drawn Line

Justin Hines

Get a little lost when I wander in thought
Cuz I start with an ending and I end in distraught
But circles aren't the shape that I should be taking
For I'm too small to live out the plans that I'm making
Cuz there's a sand drawn line I can't cross
and I don't want to lose it all

Get a little lost when I think about her
Cuz love is a game where nothing is sure
And auburn locks and blue eyed looks tell me that I'm dreaming
But there's something else and
someone else that I should be seeing
Cuz of the sand drawn line I can't cross
And I don't want to lose her at all

And oh, here comes the light again
So I'll be alright again
To hurt's not a crime
And oh, I'm at a loss
How quickly we'll cross the sand drawn line

Get a little tired when I take on the blame
Cuz the feeling it brings is a saddening refrain
But caring words and lessons learned
tell me that I'm living
For the time that I love is the time worth giving
Cuz of the sand drawn line I can't cross
and I don't want to lose it all

And oh, here comes the light again
So I'll be alright again
To hurt's not a crime
And oh, I'm at a loss
How quickly we'll cross the sand drawn line

And oh, here comes the light again
So I'll be alright again
To hurt's not a crime
And oh, I'm at a loss

How quickly we'll cross the sand drawn line

Get a little lost when I wander in thought
Cuz I start with an ending and I end in distraught
But circles aren't the shape that I should be taking
For I'm too small to live out the plans that I'm making
Cuz there's a sand drawn line I can't cross
and I don't want to lose it all
