Me & Mary

Asobi Seksu

Call your name and spinning while I sigh
Drown my eyes at the summer sky
Say goodbye to the happy times
Say goodbye
Fail to keep the memories on my.sigh
Love so much that I can't survive
Love so much, feelin dead inside
Dead inside
Japanese
Me and MaryLa La La (x8)Maybe we really had a simple time
I can't describe, want to die inside
I can't explain what I mean sometimes so good bye
Spending all my time and then I decide
I've asked too much, but I can't say why
I've asked too much, but I can't say why if I liked**Japanese**
Me and MaryOu Ou (x8)Call your name and spinning while I sigh
Drown my eyes at the summer sky
Say goodbye to the happy times
Say goodbye**Japanese**
Me and Mary
Me and Mary
Me and Mary
Me and Mary
