

Fly Away

Michael Jackson

Our love's an ocean
Give me a notion
'Cause you know I'll never part
Our love goodbyeOur love's a season
Give me a reason
'Cause you know I'll never part
Our love goodbyeAnd together we'll fly
I'll give you my heart
'Cause no place too far for us
We don't need it
Our love's an ocean
Give me a notion
'Cause you know I'll never part
Our love goodbyeOur love's a season
Give me a reason
'Cause you know I'll never part
Our love goodbyeAnd together we'll fly
I'll give you my heart
No place too far for us
We don't need itBaby, don't make me
Baby, don't make me
Baby, don't make me
Fly away
Gonna stay
Love today
Baby, don't make me
Baby, don't make me
Baby, don't make me
Fly away
Gonna stay
Love todayI love's an ocean
Give me emotion
'Cause you know I'll never see
A thing you seeI'll have a reason
Give me a treason
'Cause you know I'll never part
Our love's so hardAnd together we'll fly
I'll give you my heart
(Give you my heart)

No place too far for us
We don't need it Baby, don't make me
Baby, don't make me
Baby, don't make me
Fly away
Gonna stay
Love today Baby, don't make me
Baby, don't make me
Baby, don't make me
Fly away
Gonna stay
Love today Love is here to stay Alone at last
I'll give you my heart
(Give you my heart)
'Cause no place too far for us
We don't need it Baby, don't make me
Baby, don't make me
Baby, don't make me
Fly away
Gonna stay
Love today Baby, don't make me
Baby, don't make me
Baby, don't make me
Fly away
Gonna stay
Love today
Baby, don't make me
Baby, don't make me
Baby, don't make me
Fly away
Gonna stay
Love today
Love is here to stay
I love you
Love you
Love you
Love you, girl
Make me fly away
