## **Ordinary Love**

## U2

The sea wants to kiss the golden shore

The sunlight warms your skin

All the beauty that's been lost before wants to find us againI can't fight you any more, it's you I'm fighting for The sea throws rock together but time leaves us polished stonesWe can't fall any further if

We can't feel ordinary love

And we can't reach any higher,

If we can't deal with ordinary loveBirds fly high in the summer sky and rest on the breeze.

The same wind will take care of you and I.

We'll build our house in the trees. Your heart is on my sleeve

Did you put it there with a magic marker?

For years I would believe that the would couldn't wash it away'Cause we can't fall any further if

We can't feel ordinary love

And we can't reach any higher,

If we can't deal with ordinary loveAre we tough enough for ordinary love?We can't fall any further if

We can't feel ordinary love

And we can't reach any higher,

If we can't deal with ordinary loveWe can't fall any further, if

We can't feel ordinary love

And we can't reach any higher,

If we can't deal with ordinary love
