Wesley williams:
Yo man
One question
when was the last time you ever thank the lord almighty for your life?
when was the last time you tell your wife say you love her?
when was the last time you tell your son and daughter say you love them?
REFRAIN
As you know God no go give you anything you no go fit deal with
Na so dem talk,
The thing wey no fit kill you e go make you strong
e go make you strong
The thing wey no fit kill you e go make you strong
The thing wey no fit kill you e go make you strong
God no go give you anything you no go fit deal with
Bridge:
And as I walk through the valley of the shadow of death
You will fear no evil for
his rod and his staff are with you
You come this far to sing your mistery
aye aye aye.....
