Hook It Up (feat. Huey)

R. Kelly

She look what?
She look good, she bad as a motherfucka
She look good? Yeah
I mean how's her heart?
How's her head? Her mind right?Her brain right, shit
Look, listen, nigga, yeah
Tell your girl if she got one of them bad motherfuckers
That look like her and you know, act like her
Shit, nigga, you already know what to doTell your girl to hook it up
Tell your girl to hook it upIf she got a friend, homie, tell your girl to hook it up
If she got a cousin, homie, tell your girl to hook it up
If she got a sister, homie, tell your girl to hook it up
If she look like her, act like her, partner, let me hook it upKells, if she sexy like that, tell your girl to hook it up
Sweet and she don't talk back, tell your girl to hook it up
If she's lookin' for that real love, tell your girl to hook it up
If she look like her, act like her, partner, let me hook it upHomie, you spite, yeah, your girl, she's a dime piece
Nigga, now I know why you ain't been hangin' around me
The way she look I'd do the same, spend that time, play that game
Like to say if I lock that up, if I was you I'd knock that upOpen the door for her man, pulled out her chair
She may not know it but that's wifee right there
Worth spending that money, lookin' fresh as a breeze
Sexy, good girl, pretty and as sweet as can beYou could take her straight home to mama
Even to meet your pops
She don't come with no drama
Damn, you lucky bastardIf she got a friend, homie, tell your girl to hook it up
If she got a cousin, homie, tell your girl to hook it up
If she got a sister, homie, tell your girl to hook it up
If she look like her, act like her, partner, let me hook it upIf she sexy like that, tell your girl to hook it up
Sweet and she don't talk back, tell your girl to hook it up
If she's lookin' for that real love, tell your girl to hook it up
If she look like her, act like her, partner, let me hook it upKells, I see you pimpin' in the club with the baddest chick
If she got a partner, tell her she should get with this
A well known money makin' H U E Y
Huey be the man to give some real love, you know that playa be IThe type that'd take her out the hood
Make sure her hair and her nails look good
500 Benz, you can break a lil' wood
If she was my girl, I'ma do what I couldAs long as you understand it's 50-50
You do for me, I do for you

You shoot for me and I'd shoot for you
You be sweet to me and I'm sweet to youYou may think I'm lyin' but it's the truth
'Cause I ain't gotta lie to kick it
It's easy for me to be pimpin'
But I'm gonna make you my mistressTo avoid the life lookin' ruff
Head and attitude all messed up
All ya gotta do is holler at Kells
And tell him done, hook it upIf she got a friend, homie, tell your girl to hook it up
If she got a cousin, homie, tell your girl to hook it up
If she got a sister, homie, tell your girl to hook it up
If she look like her, act like her, partner, let me hook it upIf she sexy like that, tell your girl to hook it up
Sweet and she don't talk back, tell your girl to hook it up
If she's lookin' for that real love, tell your girl to hook it up
If she look like her, act like her, partner, let meIf she like real playas and don't fuck with no haters
Wanna get with a real balla that's makin' that real paper
If she want a good life, shop, hop out fancy cars
Award shows, party, mingle with the starsNow if she understand that I am her burning man
And when it comes to sellin' out she's my sold out crowd
And if she's not the type that got a lot girlfriends
Then tell your girl to holler at her future boyfriend, hook it upIf she got a friend, homie, tell your girl to hook it up
If she got a cousin, homie, tell your girl to hook it up
If she got a sister, homie, tell your girl to hook it up
If she look like her, act like her, partner, let me hook it upIf she sexy like that, tell your girl to hook it up
Sweet and she don't talk back, tell your girl to hook it up
If she's lookin' for that real love, tell your girl to hook it up
If she look like her, act like her, partner, let me hook it upHuey, Kells, my nigga, yeah
We in the club see that exercise, girl
We in the club see that exercise, girl, walk it out
Yeah, this might be the remix
