

I Don't Love You

Utada

FIRST VERSE:

Whether you're ready or not,
I'm gonna squeeze my mind,
I've given all that I got,
It was a waste of time,
I,was crazy in love,
But it was all a lie,
I lived it for you, [yeah]

BRIDGE:

You got the way that you think,
I've got my point-of-view,
You've got your issues with me,
And I've got mine with you,
Seems we just don't agree,
So i know what to do,
Just gonna let go let go,

CHORUS:

You can call it whatever you want boy,
But it just isn't love, love,
By conquer of love, [love love]
But never good enough,
Break up with him before,
Probably already knew that,

I[Don't Love You]],I,I[Don't Love You],I Don't Love You

SECOND VERSE:

Whether you're ready or not,
I'm gonna scream for mine,
I've given all that I got,
It was a waste of time,
I,was crazy in love,
But it was all a lie,
I lived it for you, [yeah]

BRIDGE:

You got the way that you think,
I've got my point-of-view,
You've got your issues with me,
And I've got mine with you,
Seems we just don't agree,

So i know what to do,
Just gonna let go let go,
CHORUS [x2]:
You can call it whatever you want boy,
But it just isn't love, love,
By conquer of love, [love love]
But never good enough,
Break up with him before
Probably already knew that,
I[Don't Love You]],I,I[Don't Love You],I Don't Love You
