

East At Easter

Simple Minds

We go walking, hand in hand
All across the land it's East at Easter
People walking, hand in hand
When ships are moving South, it will be East at EasterWe will rock you, rock you little child
We will rock you, rock you little child
All across the land, it's East at Easter
All across the land, it's East at EasterThings will lighten up the sky, East at Easter
Things will lighten up the sky, East at Easter
We'll go walking, hand in hand
'Cause all across the land it will be East at EasterAh, we will rock you, rock you little child
We will rock you, rock you little child
All across the land it's East at Easter
When ships go moving South, it will be East at EasterThey're gonna lighten up the sky
They're gonna lighten up the sky
Oh, they're gonna lighten up the sky, East at EasterAh, we'll go walking, hand in hand
We'll all go walking, hand in hand, yesWe will rock you, rock you little child
We will rock you, rock you, rock you, rock you little child
They're gonna lighten up the sky
When they lighten up the sky, it will be East at EasterWe will rock you, rock you, rock you little
