## **East At Easter**

## **Simple Minds**

We go walking, hand in hand All across the land it's East at Easter People walking, hand in hand

When ships are moving South, it will be East at EasterWe will rock you, rock you little child

We will rock you, rock you little child

All across the land, it's East at Easter

All across the land, it's East at EasterThings will lighten up the sky, East at Easter
Things will lighten up the sky, East at Easter

We'll go walking, hand in hand

'Cause all across the land it will be East at EasterAh, we will rock you, rock you little child

We will rock you, rock you little child

All across the land it's East at Easter

When ships go moving South, it will be East at EasterThey're gonna lighten up the sky

They're gonna lighten up the sky

Oh, they're gonna lighten up the sky, East at EasterAh, we'll go walking, hand in hand We'll all go walking, hand in hand, yesWe will rock you, rock you little child We will rock you, rock you, rock you little child

They're gonna lighten up the sky

When they lighten up the sky, it will be East at EasterWe will rock you, rock you, rock you little
