

# WHEN IT COMES TO YOU

[Anderson, John](#)

If we can't get along,  
we ought to be apart,  
and I'm wondering where'd you  
get that cold cold heart. Set me free.

Sign my release.  
I'm tired of being a  
villian of the peace. You've been giving me bad times,  
Tell me what'd I do.

How come I always get a hard time,  
Honey, when it comes to you.  
Saying things that you didn't have to.  
How come I always get a hard time,  
Honey when it comes to you. You only get one life,  
and this I know.

I want to get my licks  
in now before I go. Fire of love.  
is dead and cold.

I got to satisfy  
the hunger in my soul. You been giving me bad times.  
Tell me what'd I do.

How come I always get a hard time,  
Honey when it comes to you.  
Saying things that you didn't have to. If we can't get along.  
we ought to be a part,  
and I'm wondering where'd you  
get that cold cold heart. Set me free.

Sign my release.  
I'm tired of being a  
villian of the peace. You been giving me bad times.  
Tell me what'd I do.

How come I always get a hard time,  
Honey when it comes to you  
Saying things that you didn't have to.  
How come I always get a hard time,  
Honey when it comes to you.  
How come I always get a hard time,  
Honey when it comes to you.
