

# Rubber Buccaneer

## Demented Are Go!

See her walking down the street  
She's got rubber legs and rubber feet  
Rubber head and a rubber nose  
She's got a rubber face and rubber toes

Everything's rubber in her land of dreams  
Cannabis castles and acid queens  
Rubber beds and rubber floors  
Rubber pets and rubber doors

His rubber wife wears rubber clothes  
And her rubber kids got snotty nose  
The rubber bath has got rubber taps  
And in the shower are rubber mats  
Everything's rubber in his land of dreams  
Been that way since his teens  
Rubber women for his treat  
Rubber bouncing beneath the sheets

Doctors think he's crazy  
Should be locked up soon  
In a mental ward off the street  
In a rubber room  
People think he's crazy  
Mother thinks he's queer  
But nobody fucks around  
With the rubber buccaneer

See him walking down the street  
He's got rubber legs and rubber feet  
Rubber head and a rubber nose  
He's got a rubber face and rubber toes

Everything's rubber in her land of dreams  
Cannabis castles and acid queens  
Rubber beds and rubber floors  
Rubber pets and rubber doors  
People think he's crazy  
Mother thinks he's queer  
But nobody fucks around

With the rubber buccaneer
