Fly Away

Bread

Now is the day
We're on our way
Leave all your cares behind
Set your spirit free
Just say goodbye
Take to the sky
We'll see what we can find
Come away with meWe can fly
Fly away
We will fly
Lookin' for a dreamSee the stars above
And the earth below us spinning
Come with me my love
And we'll find
A new beginningWe can fly
(we will rise up and fly away)
Fly away
(spread your wings and we'll fly away)
We will fly
(we will rise up and fly away)
Lookin' for a dreamStay by my side
And we will ride
Our silver charriot
To the promisand land
Don't be afraid
We'll have it made
With all the love we got
Take me by the handWe can fly
(we will rise up and fly away)
Fly away
(spread our wings and we'll fly away)
We will fly
(we will rise up and fly away)
Lookin' for a dream
Lookin' for a dream
Lookin' for a dream
