Back In The High Life Again (Steve Winwood Cover)

Warren Zevon

It used to seem to me
That my life ran on too fast
And I had to take it slowly
Just to make the good parts last
But when you're born to run
It's so hard to just slow down
So don't be surprised to see me
Back in that bright part of townI'll be back in the high life again
All the doors I closed one time will open up again
I'll be back in the high life again
All the eyes that watched me once will smile and take me in
And I'll drink and dance with one hand free
Let the world back into me
And on I'll be a sight to see
Back in the high life againYou used to be the best
To make life be life to me
And I hope that you're still out there
And you're like you used to be
We'll have ourselves a time
And we'll dance 'til the morning sun
And we'll let the good times come in
And we won't stop 'til we're doneWe'll be back in the high life again
All the doors I closed one time will open up again
We'll be back in the high life again
All the eyes that watched us once will smile and take us in
And we'll drink and dance with one hand free
And have the world so easily
And oh we'll be a sight to see
Back in the high life again
