Slow Emotion

Cyrenic

Slow motion as you softly end both our lives
Devotion doesn't mean a thing when nothing survives
Been through heaven
Been through hell but never thought you'd be through with me
You tell me it's over silently[Chorus]
If you don't love me at all
Then why are you crying
If you don't need me at all
Then why does your hand reach for mine
Say you love me
Say you hate me
At least I'm on your mind
If you want me to let go
Then why are you leaving so slowNo potion could have made you see love is sublime
Our future's a memory, so make up your mind
Show me heaven
Show me hell then make the choice for me[Chorus]
If you don't love me at all
Then why are you crying
If you don't need me at all
Then why does your hand reach for mine
Say you love me
Say you hate me
At least I'm on your mind
If you want me to let go
Then why are you leaving so slowTell me I'm the only one
Tell me all the wrong I've done
Tell me that we've just begun
Tell me all your lies[Chorus]
If you don't love me at all
Then why are you crying
If you don't need me at all
Then why does your hand reach for mine
Say you love me
Say you hate me
At least I'm on your mind
If you want me to let go
Then why are you leaving so slow
