Indulge (Joe Hertz Remix)

JONES

[Verse 1]
The way that you stare, it's so addictive
The way that you breathe, I can't resist it
So when you talk, I can't help but listen
I feel every sound, you could say I'm obsessive[Pre-Chorus]
I'm in danger, but I savour the thrill of you
[Chorus]
I know that it's wrong, but I, I wanna indulge in you
I've taken too much cause I, I need every touch from you
I take it so strong cause I, I waited so long for you
I wanna indulge in youYou, I wanna indulge in
You[Verse 2]
The light in your eye when the whole world is sleeping
The strength of your mind, I'm so addicted
The way that you stand, I can't resist it
And when you smile, you hold me like a prison[Chorus]
I know that it's wrong, but I, I wanna indulge in you
I've taken too much cause I, I need every touch from you
I take it so strong cause I, I waited so long for you
I wanna indulge in youYou, I wanna indulge in
You, I wanna indulge in
You, I wanna indulge in
You, I wanna indulge[Chorus]
I know that it's wrong, but I, I wanna indulge in you
I've taken too much cause I, I need every touch from you
I take it so strong cause I, I waited so long for you
I wanna indulge in you
