

I Swear (feat. Young Thug)

Wyclef Jean

I swear
Girl I swear And I swear
Ain't nobody breakin' us up
I'ma stay with you forever, girl
And I swear
Know that you were here from the start
You ain't goin' nowhere
I don't care
What they wanna say about us
We gon' always be together, girl
And I swear
I swear Girl, you got the key to the lock
You the reason that the playboy stop
You're the reason that I'm not on the corner
Selling di marijuana
You give me a reason to live
You the reason that I never did a bid
And even if they wanna judge
You the reason that I love And I swear (I swear)
Ain't nobody breakin' us up
I'ma stay with you forever, girl
And I swear
Know that you were here from the start
You ain't goin' nowhere
I don't care (don't care)
What they wanna say about us
We gon' always be together, girl
And I swear (yeah)
I swear Hey, honeymoon, sprinklin' flowers over you
Stand on the couch, baby, I'm wildin' over you
Take everything, bae, I'm a coward over you
Jewelry so wet, you need a towel over you
Take you out your mama house, baby smile
East coast, West coast, goin' shoppin'
Change the way that you dress, Thousand Island
Let you take over, I no longer need an accountant
Lord, you really really be wild
Private 'round the world, they can't over see us
She got water like a boat, nickname it Aaliyah

They can't see us, they can't be us, babygirl
I swear Ain't nobody breakin' us up
I'ma stay with you forever, girl (foreva)
And I swear
Know that you were here from the start
You ain't goin' nowhere
I don't care
What they wanna say about us
We gon' always be together, girl
And I swear (yeah)
I swear Gettin' top, no way ride, ride
Forth fifth homicide, ahh
Skrrt, skrrt, skrrt
Ride silver, ride it, ride it, try to feel the ride ay
Getting breakfast while she lyin' in bed
And I swear
Aw baby I swear Hey, I don't care
What they say about us
We gon' be together, ayy
Kompa, m'at'ou subite
And I swear
Ah, et mon p'tit dans cette ann'ée, z'avaient toujours 'at'ou ensemble
And I swear
(Inaudible Haitian)
We gon' always be together, girl
I don't care
What they wanna say about us
We gon' be together girl
And I swear (yeah)
And I swear (I swear)
(I swear, I swear)
