

Unstoppable

Foxy Shazam

Go! (x14)

My mother told me, poor boy, be strong
Some say i won't last, i say, they're wrong

And we won't back down this time

No we won't back down this timeChorus:

we are unstoppable

no we can't be defeated

we are unstoppable

no we don't need a reason

we are unstoppablecrawling though the dirt, you heard our prayers

sticks and stones may hurt, but we don't care

and we won't back down this time (no we won't)

no we won't back down this time(chorus)yooh, eeoh eeoh eeyeah..

yeah oh..we won't back down this time (won't back down this time)

no we won't back down this time(chorus repeats x2)We are unstoppable
