# Our Song

## Perry Farrell

Give me a song
Makes my heart feel open
Give me a song
Makes my hair stand on endSo when I hear that song
Does my heart good
So when I hear that song
Does my heart wellTell me tell me true
As true as you're living
Be the medicine for my broken heartSo when I hear that song
Does my heart good
So when I hear that song
Does my heart wellI listened for you in the pouring rain
Listened for you over roaring seas
Silent as a lamb,
the beating of the heart is calling
"I will always be there darling,
I was always there."
"I am always there darling,
I was always there."
Listen?Make me dream of a time we set
A day we wed
Take me to the place
where we call "Our Song"So when I hear that song
Does my heart good
So when I hear that song
Does my heart well
I want to hear that song
Does my heart good
I want to hear that song!
