Baby Let Me Follow You Down

Bob Dylan

{I first heard this from Eric Von Schmidt
He lives in Cambridge
Rick's a Blues guitar player
I met him one day in
Queens Pastures of Harvard university}Baby let me follow you down
Baby let me follow you down
Well I'd do anything in this God Almighty world
If you just let me follow you downCan I come home with you
Baby can I come home with you
Yes I'd do anything in this God Almighty world
If you just let me come home with youBaby let me follow you down
Baby let me follow you down
Well I'd do anything in this God Almighty world
If you just let me follow you downYes I'd do anything in this God Almighty world
If you just let me follow you down
