Excuses

Jasmine Trias

This I gotta tell ya so you can't even act surprised
I'll be gone tomorrow
It's too late to apologize
I don't wanna beg you to treat me like you need to
It's gonna hurt me but I gotta go
I thought I could change ya
But I really had to check myself
I can't seem to change ya and I'm just going through hell
I refuse to do it anymore
What am I still here for if your heart ain't in it no more
I can't make you love me
Make you want me
Ain't no excuses boy
I'm about to lose it boy
You're leaving me no choice
There's no excuse at all
I can't make you need me
Make you happy
'cause you make excuses boy
I'm about to lose it boy
You're leaving me no choice
And there's no excuse at all
Why you want to play me like I don't know what's going on
Calling you all day and you're not picking up your phone
I don't have the patience to keep on waiting when I know its going nowhere
You promised you would tell me if ever something might've changed
You can keep your word because I know that it's just not the same
So just be a man about it
And tell me if your heart ain't in it no more
I can't make you love me

Make you want me
Aint no excuses boy
I'm about to lose it boy
You're leaving me no choice
There's no excuse at all
I can't make you need me
Make you happy
'cause you make excuses boy

I'm about to lose it boy
You're leaving me no choice
And there's no excuse at all
I can try to deny and that you're still mine
Say one day that you'll come around
But babe we can get it back
Maybe we'll make it right
But the love we've lost can't be found
And all these excuses that are making so much time that I've wasted
Tomorrow it'll all be over
And all your days will be a little bit colder without me
I can't make you love me
Make you want me
Ain't no excuses boy
I'm about to lose it boy
You're leaving me no choice
There's no excuse at all
Make you need me
Make you happy
'cause you make excuses boy
I'm about to lose it boy
You're leaving me no choice
And there's no excuse at all
