Drink In My Hand

Eric Church

Early Monday morning to Friday at five,
Man I work work work but I don't climb climb climb
Boss man can shove that over time up his can,
All I wanna do is put a drink in my handFill it up I'll throw it down,
I got a forty hour week worth of trouble to drown
No need to complicate it, I'm a simple man,
All you gotta do is put a drink in my handYeah the parking lot is muddy can't get to the door,
I take my jacked up drop er down in 4x4
Chill down a long neck, warm up the band,
All you got to do is put a drink in my handFill it up I'll throw it down,
I'm about to tear a new one in this old town
5 4 3 2 1 I'm a rocket man,
All you gotta do is put a drink in my handMake me want to go ooh ooh ooh when you dance like that,
You got that little tattoo playing peeky boo on your back
If you want to impress me baby here's my plan,
All you got to do is put a drink in my handYeah fill it up I'll throw it down,
When you drive me home take the long way around
You be my Lois Lane, I'll be your Super Man,
All you got to do is put a drink in my handMy head Monday morning, that alarm clock sings,
It goes bang bang bang while it ring ring rings
Yeah I'm ready to roll baby if you want to rock again,
All you got to do is put a drink in my handYeah fill it up I'll throw it down,
I got a little hungover still hanging around
Yeah that hair of the dog is howling hey there man,
All you got to do is put a drink in my handYea that hair of the dog is howling hey there man,
All you got to do is put a drink in my handaahooooh
