Ain't No Doubt

Jimmy Nail

She says, It's not you, it's me
I need a little time, a little space
A place to find myself again, you know
Oh yeah, I know a goodbye when I hear it
She smiles but her heart's already out there
Walking down the streetShe says
I don't want nobody else, I love you
She's lying
There won't be somebody else and that's true
She's lying
Say you'll always be my friend, sweet darling
Why does she pretend?Ain't no doubt, it' plain to see
A woman like you's no good for me
Your heart beating at another door
I'm a damned fool for to ask for moreShe says, It's like in a song, remember
If you love someone, set them free
Well, that's how it is for me and then she kisses me
And somewhere I hear a door slam, so I say, Fine
And just hope that I'm a better liar than she isShe says
I don't want nobody else, I love you
She's lying
There won't be somebody else and that's true
She's lying
Say you'll always be my friend, sweet darling
Why does she pretend?Ain't no doubt, it' plain to see
A woman like you's no good for me
Your heart beating at another door
I'm a damned fool for to ask for moreAin't no doubt, it' plain to see
A woman like you's no good for me
Your heart beating at another door
I'm a damned fool for to ask for moreI don't want nobody else, I love you
She's lying
There won't be somebody else and that's true
She's lying
Say you'll always be my friend, sweet darling
Why does she pretend?Ain't no doubt, it' plain to see
A woman like you's no good for me
Your heart beating at another door
I'm a damned fool for to ask for moreAin't no doubt, it' plain to see

A woman like you's no good for me
Your heart beating at another door
I'm a damned fool for to ask for moreAin't no doubt, it' plain to see
A woman like you's no good for me
Your heart beating at another door
I'm a damned fool for to ask for more
