

# I Wish I Was A Girl

## The Vaccines

You walk into the room with refine and poise  
Bewitching, enthralling all of the boys  
You're so chic and you're so sweet  
And oh I wish I was a girl  
Yeah I wish I was a girl You seductive mystery  
You're a revelation to me  
Life is easy when you're easy on the eye  
And I wish I was a girl  
Yeah I  
Wish I was a girl Cause yr appeal's an open door  
That you float through in year Haute couture  
Dolce and Gabbana, McQueen, Armani, Prada  
Von Furstenberg on mulberry, Givenchy and Escada Oh I  
I wish I was a girl
