Perfect Man

Ryan Kelly

Oh, caramel complexion
With the sexiest expression
Curly hair and corn rolls
Very nice physique and his looks clothes
He looked at me, I looked at him
He asked me what I was thinking
Because he was so beautiful
I didn't know what to say to him
He was what I wanted, exactly what I needed
He was what I fantasized, he was what I dreamed and
It would be so perfect if him and me was leave
Why couldn't I just tell him my feelings
We were meant to be
I spotted him walking in the doorway
At the restaurant the other day
When I met that prefect man
I didn't speak when I had the chance
I didn't know exactly what to say
At the restaurant the other day
When I met that perfect man
I didn't speak when I had the chance
Sexy lips, platinum wrists
Ten tips and he gets manicures
I can't resist those eyes of his
Staring at his lips and then his ears
And his voice is hypnotizing
And his hand was tantalizing
I dismissed what I wished
Without me realizing
He was what I wanted, exactly what I needed
He was what I fantasized, he was what I dreamed and
It would be so perfect if him and me could leave
Why didn't I just tell him my feelings
We were meant to be
I spotted him walking in the doorway
At the restaurant the other day
When I met that prefect man
I didn't speak when I had the chance
I didn't know exactly what to say

At the restaurant the other day
When I met that perfect man
I didn't speak when I had the chance
I spotted him walking in the doorway
At the restaurant the other day
When I met that prefect man
I didn't speak when I had the chance
I didn't know exactly what to say
At the restaurant the other day
When I met that perfect man
I didn't speak when I had the chance
All you ladies listening if you ever have the chance
To run into your definition of that perfect man
Don't be blinded by how fine the man is
And miss the chance that might be your last
Make him understand that he's your perfect man
Na, na, na, na
Na, na, na, na
Na, na, na, na
I spotted him walking in the doorway
At the restaurant the other day
When I met that prefect man
I didn't speak when I had the chance
I didn't know exactly what to say
At the restaurant the other day
When I met that perfect man
I didn't speak when I had the chance
I spotted him walking in the doorway
At the restaurant the other day
When I met that prefect man
I didn't speak when I had the chance
I didn't know exactly what to say
At the restaurant the other day
When I met that perfect man
I didn't speak when I had the chance
