

# Monster (DotEXE Remix)

## Meg & Dia

His little whispers  
Love me love me  
That's all I ask for  
Love me love me  
He battered his tiny fists to feel something  
Wondered what it's like to touch and feel something Monster  
How should I feel?  
Creatures lie here  
Looking through the window That night he caged her  
Bruised and broke her  
He struggled closer  
Then he stole her  
Violet wrists and then her ankles  
Silent pain  
Then he slowly saw their nightmares were his dreams Monster  
How should I feel?  
Creatures lie here  
Looking through the windows  
I will  
Hear their voices  
I'm a glass child  
I am Hannah's regrets
