Teardrop Fall

No-Man

why the noise
and why the protest?
why try to talk
when it's all been said?why the dream
and why the dreaming?
why try to get away
when there's no place ahead?feel the way teardrops fall.
feel the weight
teardrop fall.
teardrop fall.why the rage
and why the anger?
why try to fight
when you've got no defense?why the hope
and why the hoping?
why try to understand
when it never made sense?shut your mouth
close your eyes.
don't try to answer,
don't try to try.feel the way teardrops fall.
feel the weight
teardrop fall.
teardrop fall.teardrop fall.shut your mouth
close your eyes.
ah, don't try to answer,
don't try to try.feel the way teardrops fall.
feel the weight
teardrop fall.
teardrop fall.teardrop fall.
