Someone Like You

Vanessa Williams

I've been searching a long time
For someone exactly like you
I've been travelin' all around the world
Waiting for you to come throughSomeone like you makes it all worthwhile
Someone like you keeps me satisfied
Someone exactly like youI've been travelin' a hard road baby
Lookin' for someone exactly like you now, now
I've been carryin a heavy load
Waitin' for the light to come shinin' throughSomeone like you makes it all worthwhile
Someone like you keeps me satisfied
Someone exactly like you, someone exactly like youI've been doin' some soul searchin'
To find out where you're at
I've been up and down the highway
In all kinds of foreign landsI've been all around the world
Marchin' to the beat of a different drum
And just lately I've realized
Baby the best is yet to comeSomeone like you makes it all worthwhile
Well someone like you keep me satisfied
Someone exactly like you make it all worthwhile
Someone like you now keep me satisfied
Someone exactly like youExactly like you
Yeah, someone exactly like you now
Oh baby, the best is yet to come
Baby, the best is yet to come
Ohh, exactly like you nowSomeone someone cares in my life
